

Swakop Uranium, a Namibian world class uranium mining company, invites people who are self-motivated, energetic and wish to work in a High Performance Culture environment, to apply for the following role.

Vacancy: Maintenance Planner

Location: Husab Site – 67 kilometers from Swakopmund
Reports to the Senior Planner

MAIN PURPOSE OF JOB

To plan, schedule and co-ordinate all maintenance work and resources required maintaining and enhancing plant / equipment availability and efficiency, by the most cost-effective methods available, and to assist the Maintenance Superintendent with scheduling and budgeting.

Key Performance Areas:

- Produces clear and accurate maintenance plans and reports.
- Implements required changes to work packages or master data.
- Checks for correct manning requirements on work order operations.
- Review outstanding work orders in system.
- Assist with the achievement of compliance to all relevant legislation and codes of practice.
- Responsible for data control, including the accurate recording, storage, retrieval and management.
- Establishes and maintains a database of all tasks to be used to compile the weekly plan, benchmark current work standards and optimize work performance.
- Co-ordinates and controls spares, critical stock and component control requirements.
- Adheres to all Safety, Health, and Environmental, Radiation and Quality Effectiveness policies and procedures.

Requirements and experience:

- Recognized Trade Diploma / Qualification with 4 technical theoretical subjects (N3 level).
- 5 years post apprenticeship artisan experience, including 3 years on a Maintenance Planner level, preferably with exposure in a multi-discipline workshop environment
- Significant experience and ability with integrated maintenance systems such as SAP.
- A proven track record in a maintenance planning role.
- Code B driver's License

Through its commitment to its people, the company offers a competitive remuneration package and the opportunity to work alongside some of the most experienced and dedicated people in the industry.
