

Swakop Uranium, a Namibian world class uranium mining company, invites people who are self-motivated, energetic and wish to work in a High Performance Culture environment, to apply for the following role.

Draughtsperson (Fixed Term Contract)

**Location: Husab Site, Swakopmund
Reports to the Superintendent: Projects**

MAIN PURPOSE OF JOB

To prepare detailed drawings in various disciplines (Mechanical, Structural, and Architectural & Civil) according to specifications, that are measurable in terms of the quality and standard.

Key Performance Areas:

- Prepares detailed drawings from sketches, marked up prints, layouts, and documentation for approval and construction purposes, by using knowledge of standard drafting practices, and acceptable engineering standards to select various views, symbols, legends and sectional views.
- Conducts site visits to gather information necessary to complete drawings, by viewing and taking measurements and levels as required.
- Reviews and analyses specifications, sketches, drawings, ideas and related data to assess factors affecting component designs and the procedures and instructions to be followed.
- Layout and draws schematic, orthographic, or angle views to depict functional relationships of components, assemblies, systems, plant and equipment.
- Draws freehand sketches of design, traces finished drawings onto designated paper for the reproduction of blueprints, and reproduces working drawings on copy machines.
- Assists staff in maintaining the Drawing Office filing system to support the smooth running of the section, by receiving, sorting, filing and retrieving drawings and printing drawings on request.
- Maintains professional and technical knowledge and skills, and remains up to date with international standards in own related field trends and practices, by networking, and distributes relevant information gained to the department for implementation, after approval by superior.
- Carries out any lawful instruction and tasks, in accordance with all laid down SHERQ standards, practices, policies, procedures, rules and regulations.
- Complies with Company job safety and good housekeeping standards/practices at all times.

Requirements and experience:

- National Diploma N6/T3 or equivalent technical qualifications, along with completed recognized Draughting apprenticeship.
- Architectural Draughting Diploma.
- 3 – 5 years' experience in a Drawing Office, with experience in a Projects environment.
- Thorough exposure to structural and mechanical draughting in a mining or related environment.
- Valid Code B/BE Driver's License.

Through its commitment to its people, the company offers a competitive remuneration package and the opportunity to work alongside some of the most experienced and dedicated people in the industry.
