

Swakop Uranium, a Namibian world class uranium mining company, invites people who are self-motivated, energetic and wish to work in a High Performance Culture environment, to apply for the following role.

VACANCY

Assistant Mine Overseer – Load & Haul

Location: Husab Site
Reports to: Mine Overseer Load & Haul

MAIN PURPOSE OF THE JOB:

To assist in the management of open pit activities to ensure that shift production and quality targets are met as well as that all shift production work is performed safely and with regard to the environment.

Key Performance Areas:

- Supervise the key tasks of a multi-skilled team of Load & Haul equipment operators within designated areas of the pit, and ensure that planned production and quality targets are achieved safely and in line with the environmental standards.

Requirements and experience:

- Grade 12 with 20 points in 5 subjects and minimum E symbol in English
- Valid Code B/BE driver's license
- Minimum 3 years mining experience as a Load & haul operator.
- At least 1 year at supervisory level in Load & Haul.
- Open Cast Blasting Certificate will be an added advantage
- Preference will be given to candidates with mining and/or related tertiary qualifications

Through its commitment to its people, the company offers a competitive remuneration package and the opportunity to work alongside some of the most experienced and dedicated people in the industry.

Send your cv's and other relevant documents to psujobs.min@cgnpc.com.cn by 24 January 2018.

Previously disadvantaged Namibians are encouraged to apply.

Clearly indicate the position you are applying for as well as your name and surname in the subject line of your application email.

Applications received that do not meet the criteria will not be considered.

Only shortlisted candidates will be contacted within two weeks of the closing date of this advertisement and no documents will be returned.
