

Swakop Uranium, a Namibian world class uranium mining company, invites people who are self-motivated, energetic and wish to work in a High Performance Culture environment, to apply for the following role.

Graduate Opportunity

Location: Swakopmund – Husab Mine

Swakop Uranium is offering students an exciting career opportunity to enter our Graduate Development Programme in the following fields:

Mechanical Engineering (x2)

Metallurgical Engineering (x1)

Our Graduate Development Programmes are structured over a period of 24 months and will provide graduates with a platform to gain relevant work experience to complement their theoretical knowledge.

Minimum entry requirements

- A 4 year undergraduate BSc/ BTech or BEng degree.
- Must be self-motivated and result driven.
- Eager to go the extra-mile and a self-starter.
- Good communication and networking skills
- Able to work in a multi-national environment.
- Code 08/B drivers' license.

Through its commitment to its people, the company offers a competitive remuneration package and the opportunity to work alongside some of the most experienced and dedicated people in the industry.

If you meet the minimum requirements, please send your cv's and other relevant documents to psujobs.eng@cgnpc.com.cn by **10 December 2018**.
Previously disadvantaged Namibians are encouraged to apply.

Clearly indicate the position you are applying for as well as your name and surname in the subject line of your application email.

Applications received that do not meet the criteria will not be considered.

Only shortlisted candidates will be contacted within two weeks of the closing date of this advertisement and no documents will be returned.
