

Swakop Uranium, a Namibian world class uranium mining company, invites people who are self-motivated, energetic and wish to work in a High Performance Culture environment, to apply for the following role.

Artisan: Welder (Temporary Contract – 6 months)

Location: Husab Mine, Swakopmund
Reports to the Team Leader: Boilermaking (Central Workshop)

MAIN PURPOSE OF JOB

To safely perform skilled preventative and pro-active maintenance and repair welding tasks based on Original Equipment Manufacturer (OEM) specifications using best welding techniques and consumables, in accordance with set standards, procedures and specifications, to achieve optimum equipment availability and process efficiency objectives.

Key Performance Areas:

- Performs skilled technical work within the parameters of the trade by installing, repairing, maintaining or changing out worn or defective parts and components of Heavy Mining Equipment (HME) and Processing Plant Equipment.
- Performs welding and hot work within best practice and approved procedures.
- Performing planned and unplanned maintenance tasks within time limits.
- Performs a variety of brazing and welding tasks using arc welding, semi-automatic welding, gas welding and gas cutting techniques.
- Ensures that the Team leader is kept informed of all work performed in the section.
- Ensures that the required parts, tools and special tools are available during services and repairs.
- Performs ongoing diagnoses and fault-finding/running inspections on all equipment / structures
- Enforces compliance to Company job safety and good housekeeping standards/practices

Requirements and experience:

- Recognized Trade Diploma with 4 technical theoretical subjects (N3 level)
- 3 years post apprenticeship experience in a maintenance environment
- Experience in fault finding and trouble shooting and good welding and gas work practices.
- Work experience in heavy mining rebuilding workshops an added advantage.
- Experience in interpretation of technical drawings and schematics.
- Valid Code B/BE Drivers' License

Through its commitment to its people, the company offers a competitive remuneration package and the opportunity to work alongside some of the most experienced and dedicated people in the industry.

Send your CV and other relevant, **recently certified** documents to Recruitment@cgnpc.com.cn before **17 August 2020**.

Previously disadvantaged Namibians are encouraged to apply.

Preference will be given to applicants from the Erongo region due to the current state of emergency.

Clearly indicate the position you are applying for as well as your name and surname in the subject line of your application email.

Applications received that do not meet the criteria will not be considered.

Only shortlisted candidates will be contacted within two weeks of the closing date of this advertisement and no documents will be returned.
